PRESENTATIONS & DEMONSTRATIONS

Arthurian Order of Avalon (H10)

The Arthurian Order of Avalon is non-profit educational and performance organization. Their mission is to educate its membership and audiences in Medieval and Arthurian ideals, history, and culture in order to instill, preserve, and promote the concepts of chivalry, courtesy, and honor. See the displays and projects created by their membership at the AOA Educational Tent.

Company of the Yeoman Body Guard (B15)

Living history presentations regarding weaponry and military structure of the middle ages. You can even test your own fighting skills against one of the guards.

Saltfork Craftsmen

Artist-Blacksmith Association (D9)

A non-profit organization of amateur and professional artists and craftsmen whose purposes are the sharing of knowledge, education and to promote a more general appreciation of the fine craftsmanship everywhere. Discover the science and artistry of blacksmithing at live forges.

UCO Medieval Society (H5)

A student and alumni organization dedicated to exploring the Middle Ages through student-created presentations aimed at educating the public. For 2025, the society's theme is "Ubi Motus Est: Travel in the Middle Ages," focusing on how, where, and by whom travel occurred during this period. The project includes three parts: showcasing interactive examples of travel modes like a medieval hand cart, Viking ship prow, and sails; researching and presenting narratives from notable medieval travelers; and reenacting famous travelers from late 14th-century England.

Raptors Keep (G10)

Raptors Keep is a federally permitted and insured Raptor Education and Conservation demonstration program. Learn about the history of falconry, current conservation, rescue, rehabilitation and more.

Society for Creative Anachronism Barony of Namron and Guests (G8)

A world-wide non-profit organization whose purpose is to recreate life in the Middle Ages for the enlightenment and education of others. Medieval and Renaissance style combat, dancing, art and science demonstrations. To learn more, ask a member about joining or visit www.sca.org.
