

Attention Performers!

The 2019 Medieval Fair will be April 5, 6 & 7.

Please note:

The Medieval Fair is a *medieval* festival and not a renaissance festival. The flavor is as different as chocolate is to vanilla. The year is 1360 in Avalon England near Glastonbury Abbey and King Edward III has just signed a peace treaty with France. The Entertainment Jury is focused on selecting quality acts that best fit our theme as well as our mission statement “To ignite the spark of curiosity that leads to lifelong learning through educational entertainment.” The Medieval Fair is a program of the University of Oklahoma Outreach. All performances and content should be appropriate for general audiences, i.e. Rated G.

Performer Proposal Requirements

Stage and street entertainment for the 43rd Annual Medieval Fair will be selected by jury. Please submit the following by November 1st, 2018 to be considered. All performers must submit proposals, even those that have performed in the past. Please note that acts deemed high risk such as jousters, swordfighters, stilt walkers or jugglers of sharp/flaming objects will be required to carry their own liability insurance. Proposals must be submitted online at mis.medievalfair.org. You will need to have the following information ready to submit your application.
